1<sup>st</sup> July, 2024

Dear Parents,

We hope this correspondence finds you well. It has been a month since the commencement of the academic year, and we are pleased to observe our students acclimating comfortably within the school environment. As previously communicated, this academic year is centred around the theme of RRR - Reduce, Reuse, and Recycle.

We have initiated the integration of this theme through various activities, such as book exchange and prayer programs. Going forward, there are plans in place to conduct a range of inter and intra-class activities aligned with the RRR theme, including CA activities, prayer programs, bulletin boards, among others.

Your collaboration in supporting this esteemed initiative at home is kindly requested. By actively embracing the principles of RRR in your daily routines, we are confident that our students will gain a deeper understanding of the significance of environmental conservation. Your constructive input for ensuring the successful implementation of the theme is always valued and encouraged.

We express gratitude for your continued assistance in fostering a culture of sustainability within our school community.

Warm regards,  
Amity Parivaar

Felicitation of **SSC and HSC Toppers and A1 Graders of (GSEB, Eng. Med.)**

#### *Felicitation Program at Amity School, Bharuch*

Amity School Bharuch promulgated its 39<sup>th</sup> Foundation Day on 11<sup>th</sup> June, 2024 through a graceful celebration. This day is marked for the establishment of the school and commemorates its journey towards excellence in education. The school was beautifully decorated and the children added shine and glitter to the ambience with their captivating presence.

The day was preserved for the outstanding achievements of 71 students who scored A1 in their board exams and their success was ceremonised by the school in the graceful presence of parents and teachers at glorified Baa Babu Chowk. Foundation Day is graced with the Felicitation of the Rankers and A1 Grade Achievers. The ceremony commenced with an invocation, seeking blessings for the achievers by a powerful prayer dance of the students. The programme was lightened up with the welcome speech of the campus director Mr. Prakash Mehta. Total 71 students of std X and Std XII from CBSE section, GSEB section and Gujarati Medium who secured A1 grades were individually awarded with trophy and certificate and were applauded for their exemplary achievement. After the felicitation programme, the orchestral representation of a motivational song by a powerful boy's group of Std. X & XI charged up the breezy evening.

In his address, Dr. Pawan Dwivedi reminded students that education is not just about grades; it is a lifelong pursuit of knowledge and personal growth. He urged them to explore their interests, embrace challenges, and contribute positively to society. Dr. Pawan with innumerable example showed different progress in different sectors of our country. With his bold and profound thoughts, he showed the young students that our country is going to be the strongest, the wealthiest and the wisest country around the world. He constantly motivates the student to pursue different skills to prove their calibre. He requested the young generation to think and act deeply so that they can create a dream society which is beyond any kind of restrictions. The way India is changing is surely throws different opportunity towards the next generation so they need to be well prepared to work in varied array of field to excel their skill. Finally, he requested the new generation to be equipped with latest knowledge and technology so that they can achieve the excellence in their field. The felicitation program left an indelible mark on the students, reinforcing their commitment to excellence. As they move forward, they carry with them the encouragement and wisdom shared by Dr. Pawan Dwivedi.

### INTERNATIONAL YOGA DAY

Amity School, Bharuch celebrated the 10th International Yoga Day on 21st June, 2024. Yoga Day emphasizes the impact of Yoga which helps students and professionals to develop their overall physical and spiritual health. The sports teachers organized the celebration where Class VII CBSE and Class VII GSEB began with proper yoga protocols. They also learnt and practiced various Asanas such as Tadasana, Vakrasana, Pada-hastasana, etc. The response from the students showcased their enthusiasm in continuing yogic practices in the future as well, for their well being.

## CREATIVE CORNER

*Creativity belongs everywhere, not just in childhood games and extracurricular. It involves all of your senses and creates new knowledge that didn't exist before. Students of all ages need to learn by creating - it helps to synthesize information and bring joy and meaning into their educational experience.*

SL NO	BEST OF THE MONTH	DETAILS
1.	<b>MAIN BULLETIN BOARD</b> 	<p style="color: blue; font-weight: bold;">Students of Std. – IXA And Arts Teachers</p> <p style="color: blue; font-weight: bold;">under the guidance of their class teacher have decorated the main bulletin board on the theme of Yoga Day Celebration and Welcome to School for the academic session 2024.</p>

*Classroom display boards are a great way to get your students engaged, excited and working together, helping to maximize learning and personal skills. Additionally, display boards are a great learning implement for children who are visual learners, as it helps them to visualize exactly what is being told to them.*
