

CBSE/PLN-2/2026-27

9th June 2026

Dear Parents,
Greetings !

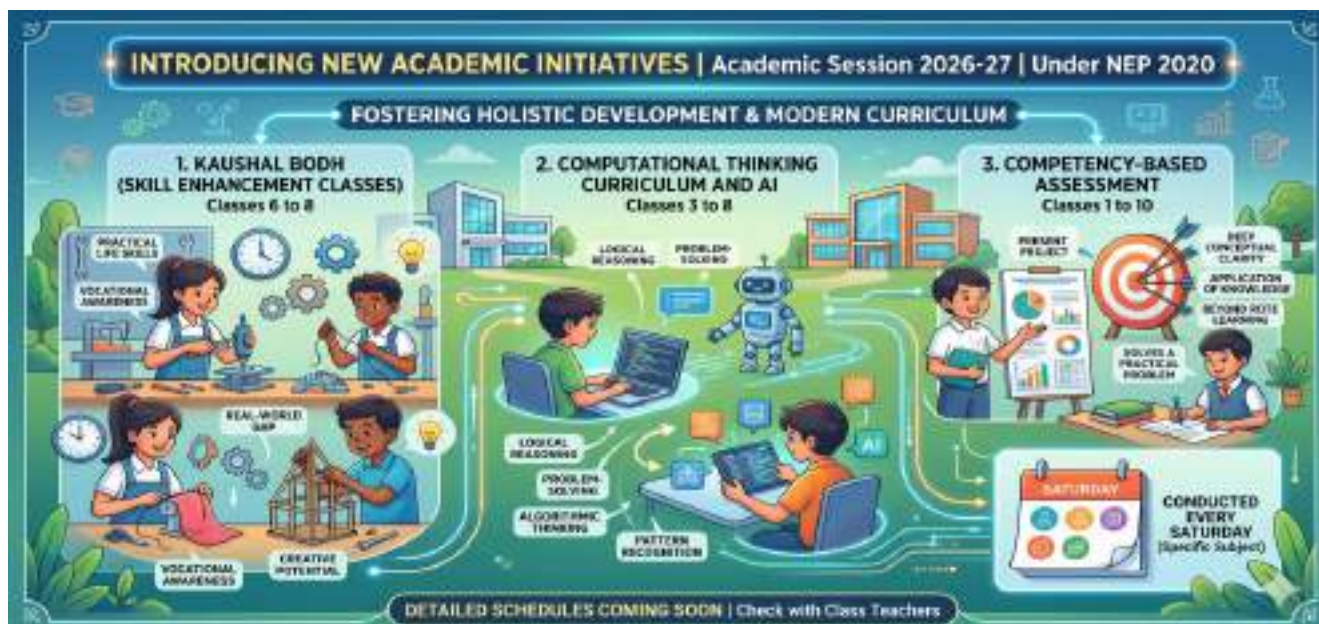

Welcome back, students, parents, and teachers and welcome to a new term under the fierce sun of this month. As our classrooms reopen and the heat reminds us that **climate is changing** around us, we must meet that change with learning, action, and shared responsibility.

Climate change touches every sphere of life: the air we breathe, the food we grow, the water we use, the health we protect, and the jobs we will create. It alters seasons, intensifies storms and heatwaves, shifts crop cycles, and raises energy demands. Yet every challenge also brings a choice: to continue habits that harm our planet or to adopt smarter, kinder ways of living.

At our **school** we already lead by example **reducing waste, cutting carbon footprints**, and **teaching practical habits**. Now we must deepen that commitment. Students, keep **learning and upgrading** your **skills** so you can design **solutions** for a **changing world**. **Parents**, support green choices at home and model energy-wise behavior. **Teachers**, inspire curiosity and equip young minds with science, ethics, and hands-on practises. **Together** we must limit fossil fuel use, invest in clean energy, and explore alternatives: solar rooftops, efficient public transport, electric mobility, sustainable diets, and waste-to-resource systems.

Environmental stewardship is the highest form of citizenship. Protecting the earth is not optional it is our moral duty to those who follow. Small acts multiply: a switched-off light, a shared ride, a planted tree, a repaired gadget each reduces strain on the planet and builds a safer future as we do not inherit the earth from our ancestors; we borrow it from our children.

Borrowed from tomorrow, this soil and sky,
We guard today so young dreams may fly.
Heat may rise, tempest and tide may roam,
But together we steward this borrowed home.
Let our footsteps be gentle, our actions be wise,
So the world we return keeps bright children's eyes.

Introducing New Academic Initiatives for the Session 2026-27 under NEP 2020

In accordance with the **National Education Policy (NEP) 2020**, CBSE has introduced a **modernized curriculum framework**. To seamlessly integrate these progressive guidelines and foster holistic development, we are delighted to introduce several key initiatives starting this academic session:

1. Kaushal Bodh (Skill Enhancement Classes) Classes 6 to 8

To nurture practical life skills, self-reliance, and vocational awareness at an early age, we are introducing Kaushal Bodh. Special, dedicated classes will be arranged for students of Grades 6 to 8. This program aims to bridge the gap between theoretical knowledge and real-world skills, encouraging students to discover their unique talents and creative potential.

2. Computational Thinking Curriculum and AI | Classes 3 to 8

In an increasingly digital world, problem-solving and logical reasoning are critical skills. We are implementing a comprehensive Computational Thinking curriculum for students from Grades 3 to 8. This initiative goes beyond basic computer literacy, training students in algorithmic thinking, pattern recognition, and analytical problem-solving, preparing them for future technological landscapes.

3. Competency-Based Assessment | Classes 1 to 10

Shifting the focus from rote learning to deep conceptual clarity, we are introducing a structured Competency-Based Assessment system for Grades 1 to 10.

Schedule: This assessment will be conducted every Saturday for one specific subject.

Detailed schedules and guidelines for the Saturday assessments and skill classes will be shared by the respective class teachers shortly.

SCHEDULE OF JUNE 2026

SR NO	DATE	PARTICULARS	DETAILS	STD
1	01/06/2026 to 06/06/2026	Teacher's Training Programme 	To boost the efficiency and effectiveness of teachers and to develop a sense of professionalism in educators' working strategies, week-long training programmes have been organized for educators.	All the educators
2	05/06/2026	World Environment Day. 	To create awareness about environmental protection and the importance of conserving natural resources, World Environment Day will be celebrated with a few activities.	All the educators
3	08/06/2026	School Reopening 	After a month-long summer vacation, regular classes will resume. Students are requested to attend classes regularly and follow the timetable shared by their class teachers.	I-X
4	11/06/2026	School Foundation Day. 	To appreciate success, celebrate our history, and recognize the incredible ways in which our school has bonded together as a community of students, teachers, staff, alumni, and parents, the Amity Parivaar will celebrate its Foundation Day with theme-based activities.	All staff and students
5	14/06/2026	World Blood Donor Day. 	To raise awareness about the need for safe blood and blood products and to thank voluntary, unpaid blood donors for their life-saving gifts, thought-provoking presentations on the importance and benefits of blood donation will be conducted by teachers.	VIII-X

6	17/06/2026	Kaushal Bodh Activities. 	To help students develop essential life skills, practical knowledge, creativity, communication abilities, and problem-solving skills, various Kaushal Bodh activities have been planned. These activities encourage experiential learning, build confidence, promote teamwork, and prepare students for real-life situations and future challenges.	VI-VIII
7	20/06/2026, 27/06/2026.	Competency Based Class Tests. 	To assess students' understanding, application of concepts, critical thinking, and problem-solving abilities rather than focusing only on memorization, competency-based class tests are planned as a part of their internal assessment.	I-X
8	21/06/2026	International Yoga Day 	To highlight the importance of Yoga and its benefits on our mind and body and to raise awareness about its importance, the day will be observed with performance of various asanas in prayer assembly.	VI-XII
9	21/06/2026	World Music Day. 	To acknowledge the importance of music and to rejoice in the making of music, to encourage aspiring artists and musicians, the day will be celebrated with various activities like the musical performances by the students. Details will be shared by the class teachers and the music teacher.	I-V

HIGHLIGHTS OF APRIL-MAY 2026

EDUCATIONAL EXPOSURE VISIT - BHAVNAGAR

13/04/2026

Amity School, Bharuch organized a one-day **educational exposure** visit to **Bhavnagar** for its educators. The team explored diverse learning environments, including **Shaishav** for community-based child development, **Dakshinamurti Balmandir** for activity-based early education, and **Gyanmanjari Vidyapith** for competitive academic excellence. The visit offered valuable insights into varied pedagogical approaches, enriching teachers' perspectives and strengthening their approach towards holistic and effective classroom practices.

A health check-up camp was conducted at Amity School by the team from **Rashtriya Bal Swasthya Karyakram (RBSK)**. Students from **Classes I to XII** underwent a comprehensive health screening. The medical team examined the students and provided guidance on maintaining good health and hygiene. The initiative aimed at early identification of health concerns and promoting overall well-being.

An educational workshop on **Quantum Physics** was conducted by **Param Lok Vigyan Kendra** – IP Lab and Innovation Center. The session provided an engaging introduction to advanced scientific concepts through practical demonstrations and interactive models. Participants explored fundamental ideas such as **wave-particle duality and real-world applications of quantum science in technology**. Hands-on activities and expert guidance enhanced conceptual clarity, encouraged inquiry-based learning, and fostered scientific temperament, making it an enriching and inspiring experience for all attendees.

WORLD HERITAGE DAY CELEBRATION

World Heritage Day was celebrated with great enthusiasm to create awareness about the importance of preserving our cultural and natural heritage. Students from **Classes I to VIII** actively participated in activities such as poster making, quizzes, presentations, and a virtual tour of renowned heritage sites, showcasing their knowledge and creativity. For **Classes IX and X**, a class-level quiz competition was conducted, and four students from each class, representing the **four house groups**, were shortlisted based on their performance. The **grand finale** was held in the Assembly Hall, where the four teams competed in Question, Buzzer, and Audio-Visual rounds. **Audience members** were also given opportunities to answer questions and received appreciation cards for correct responses. The competition concluded with **Sitar Group** emerging as the winner.

To celebrate **International Dance Day**, a vibrant dance competition was organized for the students of **Classes I to V** at Amity School, Bharuch. The event showcased the enthusiasm, creativity, and talent of young performers through a variety of energetic and colourful performances. Students participated with great zeal and confidence, making the celebration lively and memorable. **Two winners** were declared from each class in recognition of their outstanding performances. The programme encouraged artistic expression while fostering confidence, coordination, and appreciation for the performing arts.

INTERNATIONAL LABOUR DAY

01/05/2026

On the occasion of **International Labour Day**, Amity School, Bharuch paid tribute to the hardworking labourers engaged in the construction of the **flyover bridge** near the school premises. As a **gesture of gratitude** and respect, members of the **Student Council distributed protective caps** to the workers. The initiative highlighted the importance of valuing every individual's contribution to society and instilled empathy, dignity of labour, and social responsibility among students.

TRANSPORTATION DETAILS

AMITY SCHOOL, BHARUCH
SCHOOL BUS FACILITY

Dt. 02-03-2026

Dear Parents,

Amity School is committed to ensuring safe, reliable, and convenient transportation for our students. Many parents prefer to send their children to school using the safe and reliable transportation services provided by the school. In response to these requests, the school is pleased to introduce the School Bus Facility on the route from **MALHAR GREEN CITY to AMITY SCHOOL**. The flat transportation fee per student for a period of **six months is ₹ 4,800/-** (Applicable from **1st April 2026 to 30th September 2026**). Please note that the transportation fee is strictly non-refundable and non-transferable.

For further information, kindly contact **Mr. Bharatsinh Raj** (Mobile 9427480692).

Last date for payment of transportation fees **07-03-2026** (Applicable to **CBSE** students only).

The bus route is as follows:

ROUTE NO. 1 - MALHAR GREEN CITY TO AMITY SCHOOL

Route → Malhar Green City; Waverda; Tulsi Gloria; Vishvam Green; Tulsi Homes; GAR; Township; Narayan Arena; Narayan Luxuria; Narayan Shreeva; Narayan Garden etc.

Note: (01) Parents should decide their child's pick-up point according to the bus route decided by the school. (02) Students have to reach the pick-up point before time. The bus will not stop for more than 2 minutes at any bus stop.

FACILITY:
The School Bus has following facilities:
(01) GPS tracking system; (02) First-Aid Kit; (03) Fire Extinguisher; (04) CCTV Camera
